

**Traffic Control Order**  
**Order to Place Signs to Establish No Parking**  
**Lakeview (Lake View) Drive**  
**Pentwater Township, Oceana County, Michigan**

The Township of Pentwater (the "Township") has previously adopted by reference the Uniform Traffic Code for Cities, Townships and Villages as promulgated by the Director of the Department of State Police pursuant to the Administrative Procedures Act of 1969, 1969 Public Acts 306, as amended (MCL 24.201 *et seq.*) and established a Township traffic engineer.

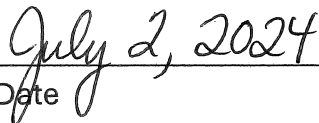

Pursuant to Rule 153 of the Uniform Traffic Code (R 28.1153), the traffic engineer has authority to issue traffic control orders to regulate traffic within the Township. The pavement on Lake View Drive is only approximately 19 feet wide, the curve north of Monroe Road can be dangerous in the winter, and Lake View Drive has only one outlet. Thus, Lake View Drive is too narrow to accommodate parked cars upon the pavement in order to allow emergency vehicles to pass and to simultaneously allow for a safe evacuation should conditions warrant such an emergency.

The Township Supervisor, acting in the capacity of the traffic engineer pursuant to Ordinance 19-03 has issued a traffic control order that no parking shall be allowed upon the pavement of both sides of Lake View (a.k.a. Lakeview Drive) Drive from the intersection of Monroe Road throughout the entire length of Lake View Drive.

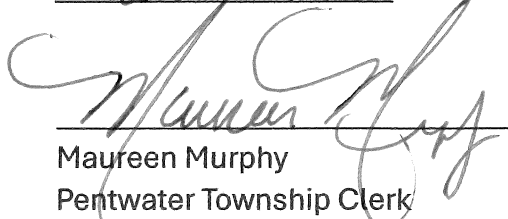

**This order becomes effective when signs giving notice of the above have been erected.**

  
Lynne Cavazos

Pentwater Township Supervisor

  
Date

A resolution, approved by the Pentwater Township Board of Trustees was adopted on July 10, 2024 to make this traffic control order permanent and a copy of Resolution number 2024-17 is hereby attached to this Traffic Control Order.

  
Maureen Murphy  
Pentwater Township Clerk
